Music History Supplemental Application – Required Material

1. Questionnaire for Undergraduate Applicants

- Confirm Contact Information
- Survey Question: *How did you learn about the Department of Musicology at UCLA?*
- Academic History [see page 4 of worksheet]
- Awards/Honors/Exhibitions/Internships/Experience [see page 5 of worksheet]
- Relevant Extracurricular Activities [see page 5 of worksheet]

2. Unofficial Transcripts (in PDF format)

If you are a freshman applicant, upload a PDF copy of your current high school transcript.

If you are a transfer applicant, upload PDF copies of all colleges you have attended since high school.

Do not mail your transcripts. The University of California only requests hard copy transcripts from students who have been admitted and matriculated to a campus.

All unofficial transcripts MUST be generated from their respective institutions, and must include the name of the institution as well as the student's full name. Please redact/black out your Social Security number.

3. Personal Statement

The Music History major is not primarily a performance major, so there is no audition. Instead, your answers to the following three prompts will serve as your "audition" in words. A strong relationship to writing and verbal expression is fundamental to success in our program. We will be reading these for thoughtfulness, originality, clarity, concision, and correct English.

Please keep your answers to no more than two (2) paragraphs per question. You will have 7200 characters (including spaces) / approximately 1200 words to address all three questions in total. It is recommended that you write your statement in a separate word processing program, then cut and paste it into the web application.

- Please tell us about special skills, training, background, or perspective you may have that you think might be useful or relevant to your career in the Music History major.
- Describe a musical experience in your life that was particularly powerful or meaningful.
- The Musicology Department and the Music History major are part of the UCLA Herb Alpert School of Music, which aspires to educate students through productive collaborations between performance and scholarship; a cross-cultural, global understanding of the art of music; and the exploration of music in all of its contemporary and historical diversity. What do you see as your possible place within the School of Music, and what might you contribute to this community?

4. Interview

After submission of the supplemental application, Music History faculty will complete a pre-screening review of applications. Finalists for admission to the Music History major will be invited to campus for an interview with the department faculty.

Applicants who reside within 200 miles of UCLA are required to interview on campus. Students who live outside the 200-mile radius or are unable to attend an on-campus interview may schedule an interview via Skype.

Revised 07/2017

Interview Dates

Interviews will take place on a Friday in late January or early February. Interview dates will be posted to the Department of Musicology website in the Fall.

Interview invitations will be issued following a pre-screening application review. Applicants will be emailed with their assigned interview day and appointment time by 7:00pm PST on December 22, 2017.
